

An intensive, practical course designed to get you a job in the shortest time possible

PTC accredited diploma in magazine journalism

BECOME A JOURNALIST **in just nine weeks**

PMA has trained postgraduates to become professional journalists for **19 years**. Many now work on top titles such as **Campaign, Retail Week New Woman, Today's Golfer, Eve and FHM**. Others have gone to national newspapers like **The Times, The Guardian, and the Sunday Times**. Our postgrads have won many awards, including:

- New Journalist of the Year
- Student Journalist of the Year
- New Editor of the Year
- Horticultural News Writer of the Year
- Consumer Journalist of the Year
- The Observer Young Travel Writer of the Year

"Well worth the pain. I know what I want to do and how I can go about getting there."

'I did this course to get the qualification and a job in the shortest possible time, I am leaving with both, so I am very happy. Thank you.'
